Thanks Rhonda. We didn't publish anything specifically from this presentation no.

We have since developed a documentary about our creative recovery work available here:

**Subject:** Articulate 2013

Dear Shelley,

A presenter at the Articulate 2013 conference held in Rockhampton has submitted the Authors' accepted manuscript, PowerPoint presentation and supporting documentation to ACQUIRE, CQUniversity's institutional repository.

I need to confirm whether or not the proceedings for Articulate 2013 were published in any form. If there are published proceedings I need to know:

- Place of publication
- Publisher
- Were the proceedings published the year the conference was held

Kind regards

Rhonda
