Dear Nirmal

Your paper, **Sub ID 97 - STRESS ANALYSIS OF INSERTED RAIL JOINTS** has been reviewed by the Session Chair who has made the following comments.

Is the title correct? Should be "Insulated" not inserted?, Remove the word "dearly" and check the appropriate use of the word "affect" vs "effect".

Please consider the comments carefully and re-upload a revised version of your paper (if required) by **30 September 2013**.

As a reminder, the online system can be accessed via the following link: <https://www.conference-service.com/WCRR2013/welcome.cgi>
