IMPORTANT INFORMATION

Welcome to IEEE WCCI 2012

IEEE WCCI 2012 has been concluded very successfully. Thank you to everyone who contributed to the success of the event.

Photos of the event can be found [HERE]

The 2012 IEEE World Congress on Computational Intelligence (IEEE WCCI 2012) is the largest technical event in the field of computational intelligence. It will host three conferences: the 2012 International Joint Conference on Neural Networks (IJCNN 2012), the 2012 IEEE International Conference on Fuzzy Systems (FUZZ-IEEE 2012), and the 2012 IEEE Congress on Evolutionary Computation (IEEE CEC 2012). IEEE WCCI 2012 will be held in Brisbane, a awe-inspiring city situated along the Brisbane River and the eastern coast line of Australia. The congress will provide a stimulating forum for scientists, engineers, educators, and students from all over the world to discuss and present their research findings on computational intelligence.

Welcome you all to Brisbane - the host city of IEEE WCCI 2012!

Call for papers

Call for papers now can be downloaded from the website:
