

# Creativity, creative arts and arts-based research: Enriching lives in regional communities

Arts-based  
research for  
investigating  
educational and  
social  
questions

The power of  
the arts to  
access and  
represent ways  
of knowing,  
being, living

Education for  
creativity and  
innovation

Exploring  
the narrative  
of the  
Gladstone  
region

The role of the arts  
for communicating  
knowledge and  
stories of  
experience

“Sea Dreams Festival”

A project fostering  
and promoting the  
creative arts in  
Gladstone

Sustainable  
communities?

What is the significance  
of creativity and the arts  
for social cohesion,  
meaning making and  
quality of life?
