Rose Rigley, Australia / The Weight of Remembrance 2015 / Assemblage (paper, cotton/linen, thread, found object) / © The artists.

The Queensland Regional Arts Awards (QRAA), is a treasured signature event in the annual Flying Art Alliance calendar. It provides an equal playing field for emerging and established artists from regional, rural and remote Queensland.

In 2015 there was no specific theme to address. Artists were asked to identify and address a significant theme relevant to their local region or community drawing on personal experience or observation.
